Old Church — New Life

11th June 2017

THE GOD WHO KNOWS AND CAN BE KNOWN

Today in the church calendar it is Trinity Sunday. Christians affirm the one God who is three persons, that is three centres of consciousness in a way with the being of God. Together they dwelt through eternity, together they brought the universe into being and sustain it, and together they work to redeem a lost and broken humanity. We cannot think of one without considering their relationship with the others. They think, act and work together as the omnipotent, omniscient and eternal God.

The wonder is that this reality became apparent with the coming of Christ. Before too long the early Church was wrestling with the realisation that Jesus was God revealing God to the world. Along with that they realized that the Holy Spirit was the active power of God bringing that personal knowledge he revealed in Christ to bear on our hearts and minds. So this day as we think about prayer, we do so mindful of the profound reality expressed in the idea that we pray to the Father in the name of the Son by the power of the Holy Spirit as beloved children of God.
