CHANGE YOU CAN TRUST IN

In recent years elections in various parts of the world have taken on a messianic flavor. We live in a society where politics is increasingly polarised and many struggle to make ends meet. Most people are increasingly frustrated and distrustful yet long for and look for a leader who will bring change, real change for the better. We look for a leader in whose actions we can be confident even more than in their words but find ourselves disappointed.

These challenges are the kind that have appeared before and will appear again. The leadership of Judah had lost their way and many may well have been longing for real change for the better. As we look at the first half of Isaiah over the Christmas season God promises just that. He will not make promises he can't keep, his word will be his bond and his actions will be powerful. He will bring evil to an end and bring hope and joy to all to come to him in faith. Such a leader as this was born in the manger, Christ the Lord.
