Old Church — New Life

4th November 2018

### A Misquote, a True quote and Faithfulness

When we think of St Francis of Assisi we think of his famous prayer, those words that have been immortalized in song. We also think of the familiar words oft quoted:

*'Preach the gospel at all times. And if necessary, use words.'*

It's a misquote attributed to St Francis that never appeared in any of his writings or of those who wrote of his life soon after his death. The closest words to these come from his Rule of 1221, Chapter XII on how the Franciscans should practice their preaching:

*No brother should preach contrary to the form and regulations of the holy Church nor unless he has been permitted by his minister ... All the Friars ... should preach by their deeds.*

Another quote that is rightly attributed to Francis is the following:

*It is no use walking anywhere to preach unless our walking is our preaching.*

The fundamental truth St Francis nonetheless reminds us that reflects the teaching of the New Testament is that our words and actions ought to match up. When they don't we fall prey to, at best, weakness and, at worst, hypocrisy. True faith and love shows themselves in deeds, obedience and service. Peter reminds us that even when, especially when we suffer for our faith, this truth should continue to be evident as we model Christ and follow in his footsteps with heart, mind and hands for his glory with the help of the Holy Spirit.

### Church Matters

When my family emigrated from the UK, 50 years ago, and settled in Karrinyup, we did not have a home phone. To make a call we would walk up to the phone box on Francis Street. My how things have changed today with the way we are all connected to each other via the internet and mobile phones, and special programs like Facebook and Facetime.

This week the church and Rectory security systems has been upgraded to a wireless internet in preparation for the long awaited NBN.

It is amazing to think that the connections we have with each other are far inferior to the connections we have with the Lord. Our line to Him is always connected. We don't need to go anywhere special or have updated technology. He is just there any time of day or night, with Him we always have a connection and coverage. Paul urges us to "Pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints" (Ephesians 6:18).

In Christ, Lynne Smith (People's Warden)
