Old Church — New Life

9th July 2017

Actions Speak Louder Than Words

At the end of the Sermon on the Mount we are told that *"the crowds were amazed at his teaching, because he taught as one who had authority and not as their teachers of the law"*. And now as we move into Matthew 8 Jesus, with the healing of the leper, and the Centurion's servant, and Peter's mother-in-law, now gives some very public and powerful demonstrations of that divine authority.

Everything about Jesus was astonishing, excellent and humanly beyond explanation. Then, as is still the case today, many are drawn by his unmistakable charisma and power, marveling at the things he taught and did – and yet do not believe in him.

Any denial of Jesus simply flies in the face of the facts. As his healing ministry progressed, the proofs of his divine authority and power, and mercy and goodness became more and more obvious. Don't do as the religious leaders of his day did, and reject the Son of God, your Messiah.
